Paul's dream: He wants to be able to play guitar

Why has he not started yet?

- Practicing alone at home is no fun for Paul
- He finds music books boring
- Just learning guitar in music class takes too long for him

What are his next steps?

- He starts a band with his friends, and they enroll in music school together
- Paul enrolls in music school on his own and starts a band with which he rehearses an additional three times a week
- Paul joins a music club, learns to play the guitar and meets young people with the same dream

We can realize our dreams and goals.
