Cautionary note regarding forward-looking statements

This document includes forward-looking statements, such as prospects or expectations, that are based on management's current views and assumptions and subject to known and unknown risks and uncertainties. Actual results, performance figures, or events may differ significantly from those expressed or implied in such forward-looking statements.

Deviations may arise due to changes in factors including, but not limited to, the following: (i) the general economic and competitive situation in the Allianz's core business and core markets, (ii) the performance of financial markets (in particular market volatility, liquidity, and credit events), (iii) adverse publicity, regulatory actions or litigation with respect to the Allianz Group, other well-known companies and the financial services industry generally, (iv) the frequency and severity of insured loss events, including those resulting from natural catastrophes, and the development of loss expenses, (v) mortality and morbidity levels and trends, (vi) persistency

levels, (vii) the extent of credit defaults, (viii) interest rate levels, (ix) currency exchange rates, most notably the EUR/USD exchange rate, (x) changes in laws and regulations, including tax regulations, (xi) the impact of acquisitions including and related integration issues and reorganization measures, and (xii) the general competitive conditions that, in each individual case, apply at a local, regional, national, and/or global level. Many of these changes can be exacerbated by terrorist activities.
