Disclaimer: The consensus figures appearing in this document were prepared on the basis of the estimates Allianz received from research analysts. Allianz requested the analysts who, to the best of Allianz's knowledge, cover Allianz via written research reports on a regular basis, to provide their already published estimates for each of the line items appearing in this document. On the basis of estimates provided by not less than 5 analysts in the format requested, Allianz included the estimates of all of these analysts to arrive at the consensus figures in the table above. Upon receipt of at least 3 additional (or updated) estimates, Allianz updated the published figures accordingly on its website. The final consensus overview was published two business days prior to result publication. There is no assurance that this document or a specific estimate includes all analysts who cover Allianz (e.g. because they did not provide estimates at all or for certain line items only), or that it is in any way representative. The opinions, estimates, forecasts and recommendations of analysts, and the consensus information appearing above derived from them, regarding Allianz's performance are those of the analysts alone and do not represent opinions, estimates or forecasts of Allianz or its management. By presenting the consensus information above, Allianz has not verified any of the information it has received and none of Allianz, its affiliates or their respective directors, officers and employees make any representation or warranty, express or implied, as to, or accept any responsibility for, the accuracy or completeness of the consensus information or otherwise endorse or concur with any of the consensus information. Except as described above, Allianz does not assume any responsibility to update, revise, or supplement such information.
