

Less and less space to park

Over the past three decades, cars have become noticeably wider and longer. This is one of the main reasons for the increase in accidents during parking and maneuvering.

Renault Espace V (2015)
1.888* x 4.857 m

Renault Espace I (1984)
1.777* x 4.365 m

Golf I (1984)
1.630* x 3.335 m

Golf VII (2012)
1.799* x 4.255 m

(* Widths excluding side mirrors)
