ALLIANZ CLIMATE RISK RESEARCH AWARD

TERMS & CONDITIONS

1. The annual Allianz Climate Risk Research Award focuses on excellent research projects regarding resilience, digitalization and weather risks expected to rise as a result of climate change. It is funded by Allianz Re, the Reinsurance Unit of Allianz SE.
2. The eligibility requirements are as follows:
 - you are an individual author
 - you submit only one research
 - you are a PhD student or a postdoctoral researcher (recent PhD graduates and postdoctoral graduates can also apply if the defence of final research to obtain title is not more than two years at the time of the application)
 - if you are selected as Finalist, you must attend the Award Event in Munich and present your work in person.
3. The deadline for submission is as stated in the call for applications on the official website. Submissions received after this deadline cannot be considered for the Award. Allianz reserves the right to not consider submissions which are illegible or do not include the complete material.
4. Material submitted will not be returned to senders.
5. The Jury will decide which submissions best meet the selection criteria as set out on the website. Decisions made by the Jury are final. No correspondence will be entered into.
6. The notification of the Finalists and the Award Winners will be made by email to the address specified in the submission. A public announcement will be made on the website.
7. The presentation of the monetary award to the Winners is subjected to the mandatory attendance of the latter to the Award event and the presentation of the research during the reserved time slot.
8. Prizes are personal to the Winners and not transferable. The Winners are responsible for the payment of any taxes and charges arising on the Prize.

9. Allianz reserves the right to cancel the Award or vary these Terms & Conditions at any time at its discretion. Allianz reserves the right to suspend the Award at any time and to change the form and substance or the specification, dates for deadlines and events. Allianz reserves the right not to award a Winner. Changes are indicated on the website.
10. By entering your submission you confirm that, to the best of your knowledge, you own all Intellectual Property Rights subsisting in your submission and that it does not infringe any third party's Intellectual Property Rights. You confirm that you have obtained all and any consents, permissions and authorizations that may be necessary in order for you to apply. Allianz reserves the right to disclose your identity to any third party claiming material posted or uploaded by you constitutes a violation of their Intellectual Property Rights, or their confidentiality/privacy rights.
11. Notwithstanding the foregoing, you grant Allianz and its affiliated companies a non-exclusive license to use the research submitted only for publication and advertisements purposes of the Award: by naming the title of the research, your name, affiliation and your contact details. Allianz may also publish the submitted essay as part of a compendium and/or interviews with you regarding the research project on its website. You agree to the publication of the Award's results including in particular the publication in the Award event program.
12. If you are a Finalist/Winner, you authorize Allianz to take pictures during the Award event and grant Allianz without limitation and on a royalty-free basis the right to use including the right to store, copy and distribute printed or digital format photographs related to publications or announcement of the Award in media publications, online advertisements or in any other format that Allianz will choose with regard to the Award. You may withdraw your consent to the use of such pictures anytime by sending an email to research-award@allianz.com.
13. Allianz stores and processes your personal data in strict compliance with statutory provisions. Your data is collected, stored and processed in order to conduct the Award and to carry out follow-up work, which is for the purpose of processing the submission, the selection, as well as for the execution and publication of the Award event and the Award in general. This involves: your name, your email address, your telephone numbers, the time of online submission in order to prove registration in the event of a dispute. Allianz confirms that personal data is handled with care, and only used for purposes pertaining to the Award. There will be no disclosure of data to third parties beyond this. You can withdraw your consent for the data, email address, your name to be stored and used at any time without stating reasons. For further information please see Allianz Privacy Statement ([link](#)).
14. The Award and these Terms & Conditions shall be governed by German law.
15. Any questions regarding the conditions and details of the Allianz Climate Risk Research Award shall be addressed to research-award@allianz.com.
16. By submitting the application and declaration forms you confirm that you took notice of the Terms & Conditions and accept all of its conditions.
