Allianz became a signatory to the United Nations Global Compact in 2002 and is still committed to upholding the Ten Principles. Our Sustainability Report serves as Communication on Progress (CoP) in implementing the Principles.

This document refers and links to the relevant sections of our Group Sustainability Report 2019, the GRI Content Index 2019 as well as to non-financial information in the Group Annual Report 2019.

This is our Communication on Progress in implementing the Ten Principles of the United Nations Global Compact and supporting broader UN goals.

We welcome feedback on its contents.
Statement of continuing support

Long-term responsibility is our business

Allianz has been a signatory to the United Nations Global Compact since 2002 and continues to be committed to the Ten Principles on human and labor rights, the environment and anti-corruption.

Our Group Sustainability Report as well as the non-financial information in our Group Annual Report serve as the Communication on Progress (CoP) in implementing the Principles.

Our Sustainability Strategy reaffirms our commitments to the Ten Principles of the UN Global Compact.

Sincerely yours -

Oliver Bäte
Chairman of the Board of Management

Our action on the Ten Principles

02.1 Human Rights

Principle 1: Businesses should support and respect the protection of internationally proclaimed human rights; and
Principle 2: make sure that they are not complicit in human rights abuses.
02.2 Labour

Principle 3: Businesses should uphold the freedom of association and the effective recognition of the right to collective bargaining;

Principle 4: the elimination of all forms of forced and compulsory labour;

Principle 5: the effective abolition of child labour; and

02.3 Environment

Principle 7: Businesses should support a precautionary approach to environmental challenges;

Principle 8: undertake initiatives to promote greater environmental responsibility; and

Principle 9: encourage the development and diffusion of environmentally friendly technologies.
## 02.4 Anti-Corruption

**Principle 10:** Businesses should work against corruption in all its forms, including extortion and bribery.
