Grant Application Form

INSTRUCTIONS

Thank you for your interest in applying for a grant from the Allianz Foundation for North America (AZFNA). We recommend that you carefully review the AZFNA website before completing this form: [AZFNA website](#).

The website provides useful information about the work of the foundation as well as detailed information about our grant application process. This form may only be completed after your **Contact and Concept Form** has been approved and must be submitted after September 1 and by no later than September 15.

Please submit your completed application form, together with all supporting documents, as a single/merged PDF, to: christopher.worthley@azoac.com

We look forward to receiving your application and to learning more about your work in support of young people.

In the space provided, please insert the summary of your organization’s mission and work from your approved Contact and Concept Form.

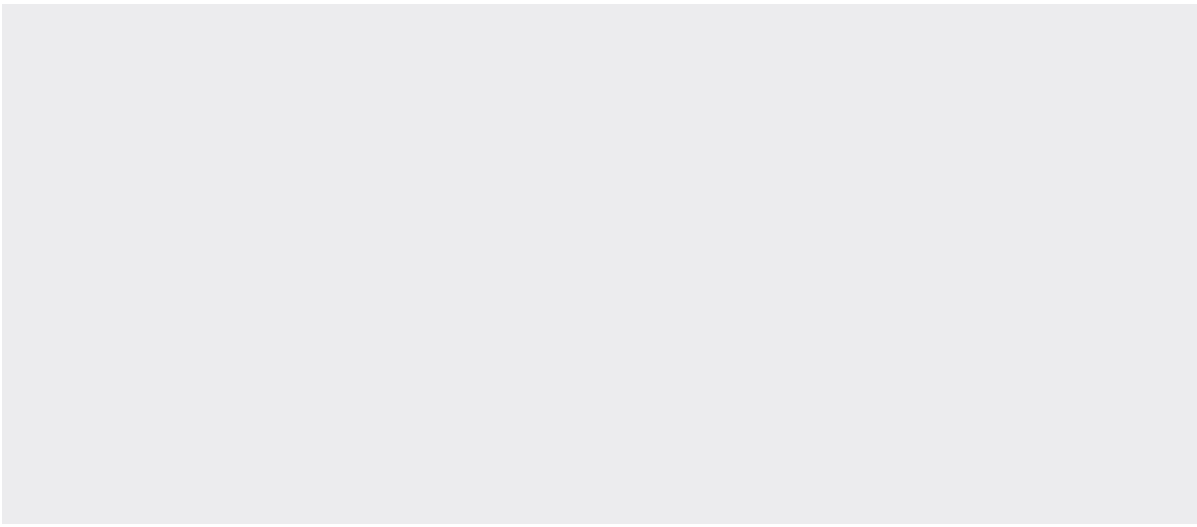

The mission of the Allianz Foundation for North America is to empower young people to shape a secure future. We pursue this mission by providing major grants for the creation and expansion of clearly defined programs promoting personal and professional growth for high-school/GED-aged teenagers and young adults (ages 16-25). Please note that AZFNA does not make general or operating grants.

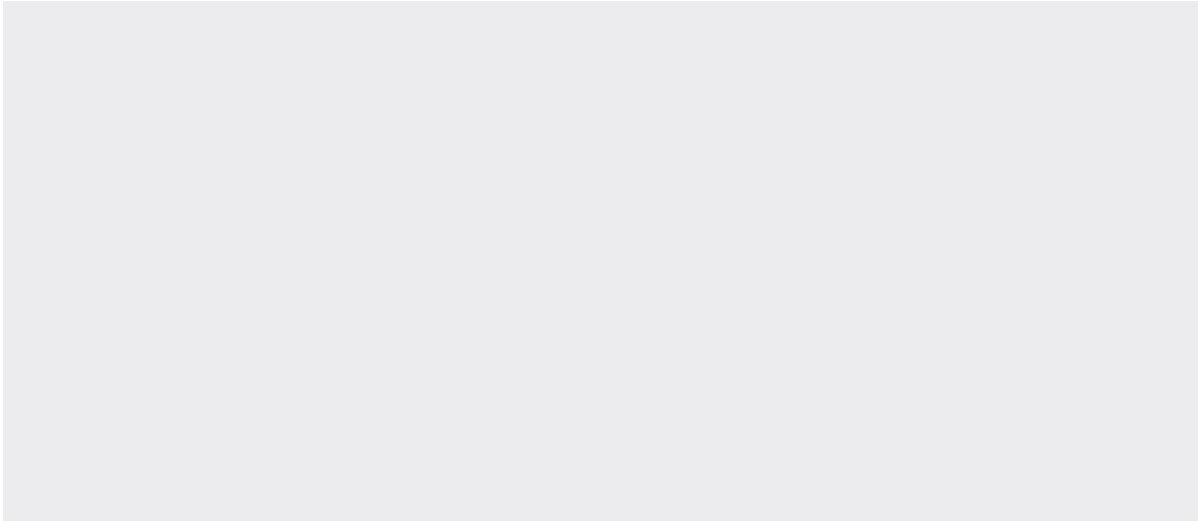

In the space provided, please insert the summary of what – specifically – your organization would do with this grant from your approved Contact and Concept Form.

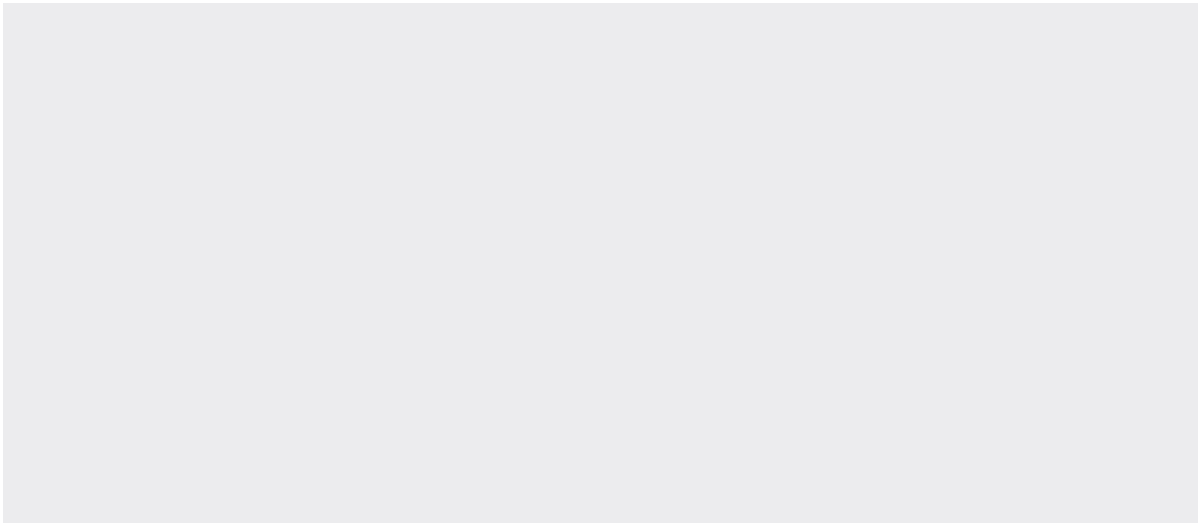

In the space provided, please summarize how this new or expanded program will empower young people to shape a secure future for themselves, their communities, and the world.

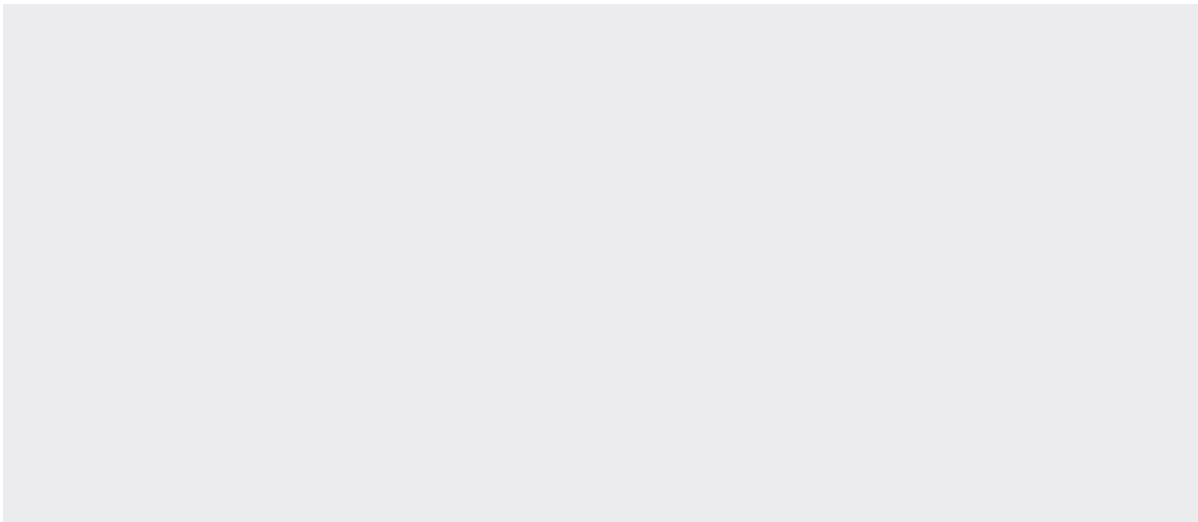

How will this new or expanded program support young people in becoming successful?

How will this new or expanded program support young people in becoming self-reliant?

How will this new or expanded program support young people in becoming socially conscious?

Please list 10 quantifiable targets for the first grant year. These must include the increase in numbers served in the program under consideration; targets specifically related to promoting the success, self-reliance, and social consciousness of participants; targets related to the personal and/or professional growth of participants; and additional quantifiable targets related to how you plan to define success for the new or expanded program.
